Letter of Confirmation

Dear Sir/Madam,

this is to confirm that Nikola Ljubešić was invited on a Short Term Scientific Mission within the COST Action IS1305 (European Network of eLexicography) with the host institution Lexical Computing Ltd., Brno from 15 October to 18 December 2016 in the period of two weeks. The activity undertaken within the Short Term Scientific Mission was "**Semantic shift detection in Slovene netspeak**" together with Darja Fišer, which was carried out within the following work plan:

Week 1-2: developing the unsupervised approach for semantic shift detection

Week 3-4: tuning the unsupervised approach, extracting candidates

Week 5-6: annotating the semantic shift candidates extracted with the unsupervised approach

Week 7-8: developing the supervised approach for semantic shift detection

Miloš Jakubiček

Host of the Short Term Scientific Mission
