Letter of Confirmation

Dear Sir/Madam,

this is to confirm that doc. dr. Darja Fišer was invited on a Short Term Scientific Mission within the COST Action IS1305 (European Network of eLexicography) with the host institution Natural Language Processing Centre at the Faculty of Informatics, Masaryk University, Brno from 15 October to 18 December 2016. The activity undertaken within the Short Term Scientific Mission was "**Semantic shift detection in Slovene netspeak**" which was carried out within the following work plan:

Week 1-2: developing the unsupervised approach for semantic shift detection

Week 3-4: tuning the unsupervised approach, extracting candidates

Week 5-6: annotating the semantic shift candidates extracted with the unsupervised approach

Week 7-8: developing the supervised approach for semantic shift detection

Sincerely

doc. Mgr. Pavel Rychlý, Ph.D.
Host of the Short Term Scientific Mission
Natural Language Processing Centre
Fakulty of Informatics
Masaryk University
